Pursuant to a plea of guilty, by the above-mentioned defendants, on December 6, 2007, our office was instructed to prepare expedited presentence reports. As such, this officer was assigned to conduct the presentence investigations.

After several attempts to contact defense counsel, the presentence interviews were scheduled for January 17, 2008 and January 18, 2008, for Linda Duh and Tony Duh, respectively. On the eve of January 16, 2008, Linda Duh's defense attorney, Michael Musa-Obregon, contacted our office and stated that he had to cancel our scheduled appointment due to a scheduling conflict. On January 17, 2008, Tony Duh's defense attorney, Telesforo Del Valle, Jr, left a message for this officer. Mr. Del Valle stated that he will be starting a trial shortly and has to cancel our scheduled appointment.

As both defense attorneys have been unable to produce their clients, we do not believe that these cases are appropriate for expedited sentencing. The presentence reports are scheduled to be disclosed to all parties on February 1, 2008. As Mr. and Mrs. Duh have not been interviewed, we do not believe we will be able to meet the required date of disclosure. We are therefore seeking direction from the Court, concerning the presentence investigation.
